## **ABSORBED SIBLING RESOLUTION**

**I, \_\_\_\_\_ place myself, \_\_\_\_\_ into a Full Court of Atonement for the purpose of Absorbed Sibling Resolution.**

This call is no longer filled with a ton of calls. It simply goes back in time and stops the conception of the sibling/siblings that were absorbed. There is no reason for “Soul Recognition, Grief Recovery, etc.... If they are not conceived, then they are not absorbed.

It asks to search through and disconnect the absorbed siblings prior to their moments of conception, starting with the youngest member of the family and working its way back through the entirety of the family lineages.

The speed call now asks to search for any-and-all donor recipients and find their donor and place the donor in a Full Court of Atonement for Absorbed Sibling Resolution (and Soul Recognition to clear all Denied Aspects.) It brings in the donor’s family for “Soul Recognition, Traumatic Stress Resolution, and Grief Recovery Resolution.” (Absorbed Sibling Resolution would have been done for them when the donor was cleared)

I have also linked “Resolution of the death of a Sibling” So that it will work to resolve issues that we are mistaking for an absorbed sibling from a miscarried embryo during the pregnancy.

Do your best just to let that be enough information. Allow your thoughts to move away from “BLAME” We have been wanting to blame our hardships in our lives on something or someone else controlling us, but we all had the choice to stand up to that voice and tell it to “Stop it” We ARE IN CHARGE OF OUR LIVES! We have free will.

Use this call on everyone you can think of to help remove the energy for them as a gift.
