There are many interesting presenters that live across the country and around the world who are not able to come to Tucson to speak at our meetings.

We now have access to technology that could bring them to us through the internet. This would be a "live-stream" presentation during our regular meeting. There would be the usual time for Questions and Answers.

5) Is this an idea we should pursue in 2020/2021?

Yes No Why? _____

6) Would you attend a meeting where we "live-stream" a presenter from a remote location?

Yes No Why? _____

Tucson Dowsers would save \$100-\$200 by live-streaming an out-of town presenter. And we could hear from presenters anywhere in the world!

7) Would you be willing to give your usual donation of \$5.00 to attend a "live-stream" meeting?

Yes No Why? _____

8) How comfortable are you in finding and watching content on the internet?

Please rate on a scale of 1-10 where 1 = not comfortable 10 = Very - I watch all the time! ___
